ANSWERED ON:16.12.2004
CHANGE IN SIGNAL SYSTEM
Bishnoi Shri Jaswant Singh

Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any provision for changing the signal system alongwith gauge conversion;

(b) if so, the reasons for not changing the signal system between phulera and jodhpur; and

(c) the time by which the signal system would be changed ?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R.VELU)

(a) No, Sir.

(b) No, Sir.

(c) Proposal to provide modern signalling system of centralized operation of points and signals would be considered based on operational requirement and availability of funds. However safety work of track circuiting of the station yards is under-way and is targetted to be completed by 31.3.2007.
